Seright's Ace Hardware Donation Request Form

Seright's Ace Hardware receives numerous requests for donations each month to support various organizations, events, and schools. We budget a generous amount to support worthy causes in our community. Regretfully the number of requests always exceeds our budget therefore it is not always possible to honor all the requests we receive.

Thank you for considering our policies before submitting your application:

1. Requests must be received 30 days prior to the event.
2. Consideration of applications is done once a month.
3. Seright's Ace Hardware does not donate or sponsor individuals.
